

2024 STUDIO INFORMATION PACKET

*** LAKE FENTON HIGH SCHOOL ***

LINDEN, MICHIGAN

We are looking forward to seeing everyone on Saturday and Sunday, March 2nd and 3rd at Lake Fenton High School. If you have competed with us before, we are thrilled to have you with us again. If you are joining us for the first time, we welcome you, and look forward to meeting you! If you are in need of directions, visit the UPCOMING EVENTS page of our website, www.DanceForceXpress.com.

The final competition schedule is on our website. The schedule lists the times that dancers are estimated to perform. Dancers should arrive in their first performance costume, and should be ready to perform at least 20 minutes prior to their estimated performance time.

Doors will open at 7:30 am on both Saturday and Sunday – please do not plan on arriving earlier, as the building will not be accessible prior to those times. Thank you!

Please enter Lake Fenton High School through the Main Entrance. Upon entry, there is a commons area where you will find concessions hosted by *Lake Fenton High School*, photo kiosks featuring action photos from *All Star Productions*, and merchandise from *Dance Force Xpress*. Tables and chairs will be available in the commons area for dancers and spectators to enjoy snacks and meals. Please note that food and beverage are not allowed in the auditorium. We ask for your full cooperation and understanding of this policy as a guest. Concession items (food and beverage) will be available from **8:30 am until 7:30 pm (tentative schedule)** on both days, accepting cash payment only. Dance Force Xpress accepts cash, credit, or Venmo.

There are no admission fees for spectators. There may be seats blocked off for the video and photo crews, as well as the Dance Force Xpress judging team. Please do not move any signs or sit in any restricted areas. Please note that our staff members are available to address any needs or concerns, and will be stationed in the main lobby and backstage. ***The judging team and production team (photo and video) should not be approached at any time. Thank you in advance.*** If you must leave or re-enter, please only do so between routines. Please keep in mind that dancers may be taking the stage for the first time in a very long time, or may be taking the stage for the last time as they graduate. We ask that you reward every performance for a job well done! We encourage support, applause, and cheering. With respect for the performers, the use of electronics and casual conversation should be limited to the main lobby to ensure that dancers have a distraction-free performance. Thank you!

Dance Force Xpress merchandise will be available throughout the competition in the lobby. The limited edition 2024 Tour Tee, featuring all studio names, is available in limited quantities for \$25. Following awards, the sales table will also have commemorative trophies in a variety of sizes, as well as commemorative pins representing the placings (Gold, High Gold, Platinum, etc.) If you have pre-ordered event merchandise through our website, please stop by our merchandise table and pick up your items. As a reminder, the 'Tour Bundle' and discounted pricing was only available for pre-orders placed by February 9th.

DRESSING ROOM POLICY: To avoid congestion in the dressing rooms, only performers, studio staff members, and parents that are essential to the dancers' needs (ages 12 and below) are allowed in the 'backstage area', which includes the main hallway outside of the dressing rooms, dressing rooms, and backstage. These areas are indicated in pink on the enclosed facility map.

Dressing rooms are provided and assigned for each studio. Dressing rooms have been assigned depending on the number of registered dancers per studio, per session. Dancers should ONLY be in the dressing rooms during the sessions that they are performing in. *For example;* if a dancer is scheduled to perform in Saturday session 3, they should not be in the dressing rooms during sessions 1 or 2. Please be courteous when setting up your space. There will be times when the dressing rooms are busy due to the size of scheduled routines. Again – we stress that if dancers are not actively changing costumes, that they are not in the dressing rooms. Dancers are welcome in the commons area, auditorium, or general areas if they are not actively changing. The dressing rooms are not practice or rehearsal areas. There are restrooms backstage for dancers as well as in the main lobby area.

NEW FOR 2024! We have reserved the gymnasium as a dressing room on Saturday to allow additional space for female participants. Dancers should use the gymnasium as a holding area for their belongings. Studio signs will be posted to designate space for each studio. There are two locker rooms adjacent to the gymnasium. The venue has provided some additional guidelines for the use of the gymnasium.

- **Dancers MUST use the locker rooms when undressing. There is no guarantee of privacy in the gymnasium, and cameras are present.**
- Tap shoes are not allowed in the gymnasium.
- Any racks or equipment with metal feet must be covered with tape to protect the gym floor.
- Any racks, carts, or bags with wheels must have rubber wheels; no metal wheels.
- All wheels must be clean of debris.
- No food or drink in the gymnasium.

The commons area is just outside of the gym and has tables and chairs readily available. Please note that the gym will close following session 4 on Saturday, and Session 5 soloists that were in the gymnasium should move to Dressing Room 1. **Thank you!**

Food and drinks are not allowed in the auditorium and we Thank You for your cooperation in keeping the facility clean. Participating studio staff members are asked to monitor your student's dressing room during the event and prior to leaving to ensure the area is clean.

Lake Fenton High School has graciously allowed us the opportunity to offer a studio snack table area. If your dancers will be in the building for an extended period of time, and you would like to coordinate a snack table, you may do so as long as the following guidelines are followed. All snack tables must be set up in the rear hallway as indicated on the enclosed map. You must provide your own table, and it must be set up flush along the wall on either side of the hallway. Your table area must be labeled with your studio name. For safety and sanitary purposes, food should not be left out for an extended period of time. Use of electrical items such as crockpots, coffee makers, and microwaves are **strictly** prohibited. Please ensure that your area is completely clean and free of trash or items at the end of the day. Dancers are invited to use the commons area tables while eating.

All Star Productions will be taking thousands of action photos as well as performance videos. **AGAIN THIS YEAR – both are included in your registration fees!** We are absolutely thrilled to partner with All Star Productions to offer this fantastic value. Studio directors will be sent a link to photos and videos when they are available for download (approximately 5 days following the competition). Keep an eye on our social media for announcements as well. Looking for same-day printed photos? Please make time to visit the kiosks in the main lobby to create custom collages at discounted prices!

Photography and video recording during performances is prohibited. Any issues may result in the routine(s) being disqualified from Overall Awards. This policy is for the safety, privacy, and protection of our dancers. Thank you for your attention – we appreciate your dedication to keeping the competition running smoothly without distractions or interruptions regarding video recording. Photos may be taken during the awards presentations, as well as in the main lobby.

The event is not live streamed.

There will be an awards presentation at the conclusion of each session. During awards, all dancers are welcome to join us on stage! One representative should be selected to accept awards for each routine. All routines will receive a **DFX Diamond, Platinum, High Gold, Gold, Silver, or Bronze** placement (determined by a scale) with ribbons for each performer. We will also be presenting any special awards, division high awards, and overall placings. Award sheets are provided in your program to easily track awards!

Additional information on the Dance Force Xpress adjudication system/judging is provided to each Studio Director, and is included in the program. We highly encourage dancers and dance families to take a moment to learn more about the adjudication system to best understand the awards presentation and have the most beneficial experience.

Every competition is different! Our adjudication system is as follows:

DFX Diamond (171 – 180 points) Achieving 95% of total points possible

Platinum (153 - 170.9 points) Achieving 85% of total points possible

High Gold (135-152.9 points) Achieving 75% of total points possible

Dancers should gather their belongings in the dressing rooms after their awards presentation, and plan on meeting family in the main lobby/commons area. Please do not send family and friends back to the dressing room areas, as dancers will be arriving for the next session. Banners will be available in the main lobby for photo opportunities. Please share your memories with us on social media!
