

# 2024 RAPTURE DANCE INTENSIVE Class Expectations

*Welcome to Rapture Dance Intensive!* We are excited to work with you and spend a few hours helping each dancer to grow deeper into their craft! Our staff has been teaching together for 15 years and our goal from day one was to teach more than just movement. We hope to inspire the dancers to trust themselves and celebrate each of their unique contributions to the room, to dive into each class/style and find comfort in the uncomfortable, have a better understanding of body alignment and technique, and of course, fall more in love with our common thread - DANCE!

## EXPECTATIONS FOR CLASSES

### **DRESS CODE**

**Jazz:** Form fitting clothing and jazz shoes

**Contemporary:** Form fitting clothing and bare feet

**Hip Hop:** Loose clothing and sneakers

Bring your dance bag to classes with a water bottle and snacks to eat before, after, and in-between classes. We ask that if dancers have phones, please silence them and keep them in their bags.

Recording in classes is prohibited with the exception of Rapture Faculty and the Dance Force Xpress Staff.

Only studio owners and studio staff members are welcome to observe classes. Parents are welcome to join us in the auditorium for the last 15 minutes of the final class. Each level will showcase a combo they learned. Feel free to film combos in the auditorium.

*We can't wait to meet all of you!*
